Speaker:

Dr. Graham Tebb

Graham Tebb was educated at Oxford University and the EMBL in Heidelberg before working as a post-doc at the IMP in Vienna. After a brief spell as an Editor at Nature and a longer one at the United Nations, he spent over a decade as a scientific administrator in the Department of Biology and Medicine at the FWF.

He is now in the Office for Research Promotion and Innovation at the Vetmeduni, Vienna, where he advises scientists and clinicians on how best to prepare applications for third-party funding. He gives regular courses on scientific writing, scientific presentations and writing applications for third-party funding.
